

Circle of Friends Registration 2012/13

Our Circle of Friends Pre-School Program is beginning registration for the 2012/13 school year. This program provides a naturalistic early childhood environment that is rich in language and literacy experiences and recognizes children as active learners. Our program combines children with and without special needs in a developmentally appropriate pre-school class.

Registration for the 2012/13 Circle of Friends Preschool Program will be on Wednesday, February 1 through Friday, February 3, at the Westbrook School office from 9:00 a.m. until 2:00 p.m. Students currently enrolled in the program will be guaranteed enrollment for next year. Our AM and PM sessions will include children ages 3 to 5 (multi-age/multi-ability). Every consideration will be given to AM/PM requests.

Spots are limited and students will be enrolled using a lottery system. Only residents of District 57 will be accepted into the program. On February 8 and 9, 2012, parents will receive a phone call confirming or denying acceptance into the program. If denied, parents may choose to have their child put on a waiting list. Written verification will follow. An application is complete only when a completed application form, a completed Home Language Survey, an original birth certificate (will copy and return original), and a registration fee of \$100 are all received in our office. We also need to verify residency with the following documents:
